What problems can Fluticare Nasal Spray help with?

Fluticare Nasal Spray helps relieve a broad range of uncomfortable symptoms like congestion and itchy eyes.

These symptoms can be triggered by allergens like pollen, mold, dust or pet dander.

Drug Facts

Active ingredient (in each spray) | Purpose
--- | ---
Fluticasone propionate (glucocorticoid) 50 mcg | Allergy symptom reliever

Uses
Temporarily relieves these symptoms of hay fever or other upper respiratory allergies:
- Nasal congestion
- Runny nose
- Sneezing
- Itchy nose
- Itchy, watery eyes

Warnings
- For use in the nose. Do not spray into your eyes or mouth.
- Do not use:
  - in children under 4 years of age
  - to treat asthma
  - if you have an injury or surgery to your nose that is not fully healed
  - if you have ever had an allergic reaction to this product or any of the ingredients

Ask a doctor before use if you have or had glaucoma or cataracts

Ask a doctor or pharmacist before use if you are taking:
- medicine for HIV infection (such as ritonavir)
- a steroid medicine for asthma, allergies or skin rash
- ketoconazole pills (medicine for fungal infection)

When using this product:
- the growth rate of some children may be slower
- stinging or sneezing may occur for a few seconds after use
- do not share this bottle with anyone else as this may spread germs
- remember to tell your doctor about all the medicines you take, including this one

Stop use and ask a doctor if:
- you have, or come into contact with someone who has, chicken pox, measles or tuberculosis
- your symptoms do not get better within 7 days of starting use or you get new symptoms such as severe facial pain or thick nasal discharge. You may have something more than allergies, such as an infection
- you get a constant whistling sound from your nose. This may be a sign of damage inside your nose
- you get an allergic reaction to this product. Seek medical help right away
- you get new changes to your vision that develop after starting this product
- you have severe or frequent nosebleeds

If pregnant or breast-feeding, ask a health professional before use.
Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away (1-800-222-1222).

Other information
- You may start to feel relief the first day and full effect after several days of regular, once-a-day use
- Store between 4° and 30°C (39° and 86°F)
- Keep this package and enclosed materials. They contain important additional information.

Inactive ingredients
- benzoic acid, dextrose, microcrystalline cellulose, phenylethyl alcohol, polyethylene glycol, purified water, sodium carboxymethylcellulose.
